## 1900 West Saint Paul Avenue

*This certificate is presented in an ongoing effort to recognize design excellence throughout Milwaukee. Recipients have added value to their neighborhood by restoring, constructing or enhancing their properties in a way that respects the urban fabric and contributes to the character of their surroundings.*

A popular wayside gathering spot, this clever renovation of a classic Milwaukee tavern complete with beautifully detailed Cream City brick, round bay window, historic Schlitz globe sign, and a friendly sidewalk café, adds warmth and vitality to the street and creates a haven for both tourists and “regulars” in the heart of the Menomonee Valley.
